# The Detroit District Dental Society 80<sup>th</sup> Annual Educational Program has a new name

## Dental Education Today (DET2023)

**November 2, 2023 – NEW Dentist Dinner** 5:30 pm – 9:00 pm

Speakers: Dr. Amar Katranji, Periodontist, on Dental Implants and Reasons for Failure.

Feature topic for New Dentists: Jeff Cormell, Bank of America, and Dr. Carly Cassleman, Detroit District Member, on personal and business finance options.

**November 3, 2023 – Dental Education Today – 7:00 am** (Early coffee optional)

**National Speakers, 8:00 am – 5:00 pm:** Each speaker has different AM and PM content.

- Jennifer Doobrow, DMD, FACD, FICD: Morning: Committing Your Practice to Ultimate Patient Care Afternoon: Getting Your Patients to Own Their Disease: Communicating Expectations Clearly
- Michael Fling, DDS: Morning: The Stuff that Matters. Afternoon: Methods, Materials, and Madness
- John A. Svirsky, DDS, MEd: Morning: 25 Shades of Grey and a Whole Lot Less Risqué. Afternoon: Oral Cancer 2023 the Lumps, Bumps and Lesions for all Seasons

**Hands-On Sessions:** Note Crown & Bridge one session repeat in the afternoon. Oral Surgery and Endodontics full day with different content morning and afternoon.

- **ORAL SURGERY:** Ron Morris, DDS, MS on **Everything You Wanted to Know About Oral Surgery but Were Afraid to Ask**. This will be a full-day course and is limited to 48 dentists. This hands-on course will cover routine surgeries, from extractions to impactions, as well as root tips, palatal and mandibular tori removal, orthodontic impacted canine exposure, socket grafting with and without membranes, infections, pain management, and how to manage complications. Tips and techniques for faster more efficient and less painful surgeries will be presented and covering anatomy, local anesthetic blocks and oral sedation.
- **CROWN & BRIDGE:** Scott Ward, Ward Dental Lab Inc., on **What are your options for Crown and Bridge Restorative Materials?** and hands-on for **Removeable Overdentures using the Locator System**. This will be a half-day course only. The course will be repeated in the afternoon for a different set of participants. This course is limited to 16 dentists per group.
- **ENDODONTICS:** Dr. Reid Pullen, of Brea Endodontics. **The Root to Crown Solution** This will be a full-day course and is limited to 40 dentists. This course walks through each step of root canal therapy. From diagnostic protocol through coronal restoration, learn techniques for clinical success at every step needed to take the patient out of pain, restore function to the tooth while maintaining the proper aesthetics and enhance long term success.

## Dental Education Today (DET2023) Speakers

Dr. John Svirsky is a board-certified Oral and Maxillofacial Pathologist and Emeritus Professor at Virginia Commonwealth University (VCU) in Richmond, Virginia. Dr. Svirsky has developed a broad background in research and earned a master's degree in adult education. Dr. Svirsky is an honorary member of the Thomas P. Hinman Dental Society and the American Academy of Oral Medicine. He is a sought-after speaker with an international reputation as an informative and entertaining lecturer.

Dr. Jennifer Hirsch Doobrow, a Board Certified Periodontist, is the Owner and CEO of Periodontal and Implant Associates, Inc., located in Cullman, AL. She is the President-Elect for the Southern Academy of Periodontology and serves on the Continuing Education Oversight Committee for the American Academy of Periodontology. She was selected as the 2021 Most Excellent Fellow for the Alabama Dental Association. She was inducted as a Fellow of the International College of Dentists, and the International Society of Periodontal Plastic Surgeons.

Dr. Michael Fling is a dentist, educator, author, and artist. He says the secret to his success is "bridging the gap between knowing and doing". He uses this secret to further the success of those around him by inspiring them to excellence. He now serves as the Course Director of Fixed Prosthodontics at the Oklahoma University College of Dentistry. He has been named by Dentistry Today as one of the "Top Clinicians in Continuing Education" every year since 2005.

Dental Education Today 2023! is for Dentists, Hygienists, Dental Assistants, and Office Team. This program will bring value to you and your entire team.

- \$185.00 dentists and \$65.00 for team members. A great bargain for all!
